Professional Summary

Motivated Computer Engineering student with a strong focus on Quality Assurance (QA) engineering, alongside skills in Front-End Development and UI/UX design. Passionate about ensuring software reliability, user-friendly experiences, and delivering high-quality digital solutions. Eager to grow and contribute in a QA-focused, collaborative environment.

Key Skills

Front-end Development
HTML, CSS, Javascript, React

Graphic Design
Adobe Photoshop, Canva

UI/UX Design
Figma

Others
Python, Git, VS Code

Projects

Academic Projects

1. **Hospital Management System**
   - Developed a hospital management system to streamline patient registration, appointment scheduling, and doctor management.
   - Tools used: C#
   - Designed an intuitive front-end interface to improve user experience.

2. **Resort Management System**
   - Created a customized resort management system for a specific resort in Nepal to manage bookings, room availability, and customer information.
   - Tools used: HTML, CSS, JavaScript, React
   - Designed the user interface to align with the resort's branding and user needs.

Design Projects

1. **Digital Agency UI Design**
   - Designed a user-friendly mobile app prototype to connect farmers with local buyers.
   - Tools used: Figma.

2. **Graphic Design Portfolio**
   - Created posters, social media graphics, and digital art pieces as part of personal and academic growth in graphic design.
   - Tools used: Adobe Photoshop, Canva.

UI/UX Projects

1. **Weather Card**
   - Designed a responsive and interactive weather information card UI.

2. **Rating Model**
   - Created an intuitive rating system interface for user feedback.

3. **Pet Adoption Homepage**
   - Developed a user-friendly homepage for a pet adoption platform.

4. **Remote Work Productivity Dashboard**
   - Designed a dashboard UI to monitor productivity metrics for remote workers.

Education

Jyotidaya Co-operative Secondary School
Secondary Education Examination (SEE)

Pinnacle Academy H.S. School/College
+2, Science

Cosmos College Of Management And Technology
Pokhara University
Bachelor of Computer Engineering

Certification

- Graphic Design — Alison — 2022
- Graphic Design — Embark College — 2025
- UI/UX Design — Alison — 2025
